

ACS SPECIALIST CAMERAS

Gold Coast Commonwealth Games 2018

ACS provided a wide range of specialist cameras and experienced crew to host broadcaster, NEP, for the 21st Commonwealth Games which took place in Australia's Gold Coast during April 2018

An ACS crew of 44 project engineers, technicians and operators installed, rigged and operated 61 cameras ranging from Stabilised mounts, SMARThead™ remotes, Railcams and minicams across 12 Games' venues. The Games were a great success and the coverage widely acclaimed across the media industry.
